

## **Baba Aapo Aap Guru Nanak Public School, Chhinganwala**

### **Annual Report (2021-22)**

**“May be there is a road ahead of it , May be there is a new world down the road , walking forth is the only plight, Because we didn’t come this far to come this far only”**

BAAGS have been stepping from success all through years since its humble beginning in 2012 and the past year has been no exception . We have done our best in academics and non academics in the past year . At this juncture , I wish to put on record my sincere gratitude to the Highly Respected Maharaj Ji ,Management , Staff , Students and PTA for your kind support and guidance.

With great pleasure , I present in a nutshell the highlights of the past academic year 2021-22 as follows:

#### **Parents Orientation Programme :-**

A regular practice followed every year this session began with the Orientation Programme for the parents . In this programme parents are made aware of scheme of education we impart here at our school.

#### **Infrastructure & Other Facilities:-**

The school provides large, spacious and airy classrooms with CCTV , Well equipped Science labs and Computer labs , Playgrounds, Library , Hall with an interactive board and a projector etc .

In the previous session 6 six new rooms including a hall was constructed . Additionally the primary wing of the school was provided new colourful furniture. The whole campus was white washed and swings were installed in the grounds.

#### **Capacity Building Programmes:-**

Upgradation of skills is the utmost importance for teachers.

With the sole purpose of updating teachers’ knowledge , our teachers are made a part of training sessions and workshops conducted by CBSE ( Online & Offline) . All the teachers have downloaded Diksha App and attended training programmes like Competency Based Learning and experimental learning . The teachers have also attended a session for NEP-2020. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.

#### **Competitions:-**

**“To take part is what counts in competition and lessons of victory and defeat are what we get in return.”**

Various activities and competitions like debate , drawing , quiz , declamation , creative writing , Poetry Recitation are held on Celebration of National Festivals , Important Days and Festivals .

School Assemblies provide ample opportunities for all our students to come forth with self courage and express their abilities of public speaking , reading thought sharing etc.

Our students also took part in Inter School Competitions Conducted by various organizations like Sahodaya School Group.

## **Academic Achievement :-**

“Develop a passion for learning . If you do , you will never cease to grow.”

Periodical Assessments and evaluation are conducted for the students and their progress is shared with the parents frequently . Subject Enrichment Activities are done by the students and teachers , evaluate these as internal Assessment.

- With immense pleasure it is record that the board result of std 10<sup>th</sup> and 12<sup>th</sup> for the session 2021-22 remained 100%.
- We feel proud to say the that our student Vidushi got 440<sup>th</sup> rank ( All India) in JET Advance.
- Vivek Kumar has got a seat Govt Medical Rajindra College Patiala.

I would end with an extract from “Stopping by woods on Snowy Evening” written by Robert Frost :

**“ The woods are lovely , dark and deep But we have promises to keep  
And miles to go before we sleep and miles to go before we sleep”**

I would like to thank parents for their constant support , teaching and non teaching staff who are constantly working hard for the success of children.
