History of school

An institute progressing by leaps and bounds, **Baba Aapo Aap Guru Nanak Public School**. An oasis quenching the thirst of education seeking rural ties, is situated on Nabha Dhuri link road. It is spread over an area of 9 acres. It is an English medium & co-educational institute.

The institute was founded by "His Holiness MAHARAJ SHRI SHIV PARKASH JI" in February, 1970 with the set of only five rooms.

Under the inspiring & benevolent guidance of "His Holiness MAHARAJ SATYA PARKASH JI" It was converted

into full school in 1983 with a huge building having spacious and airy rooms. Two Play grounds with area 2655.75 meters, consisting of badminton court, volleyball ground, kho-kho and kabbaddi ground and 200 meter track, facility for indoor games, well equipped labs.

Now with the Wise guidance & blessing of "His Holiness MAHARAJ SHIV NARAYAN PARKASH JI", this institute is going to make a wave of education among children with value based education that nurtures world citizen.

From the desk of Principal:

The BAAGS team aims at creating a platform where we can share our views and ideologies and create a sense of belonging and pride that will bind us together with universal chords of love and understanding, so that we can create a beautiful world for our children to grow... where learning comes from within. A perfect blend of traditions and values, an amazing combination of past and present where the home and the school are in perfect harmony with each other in molding the child's future.

Sports

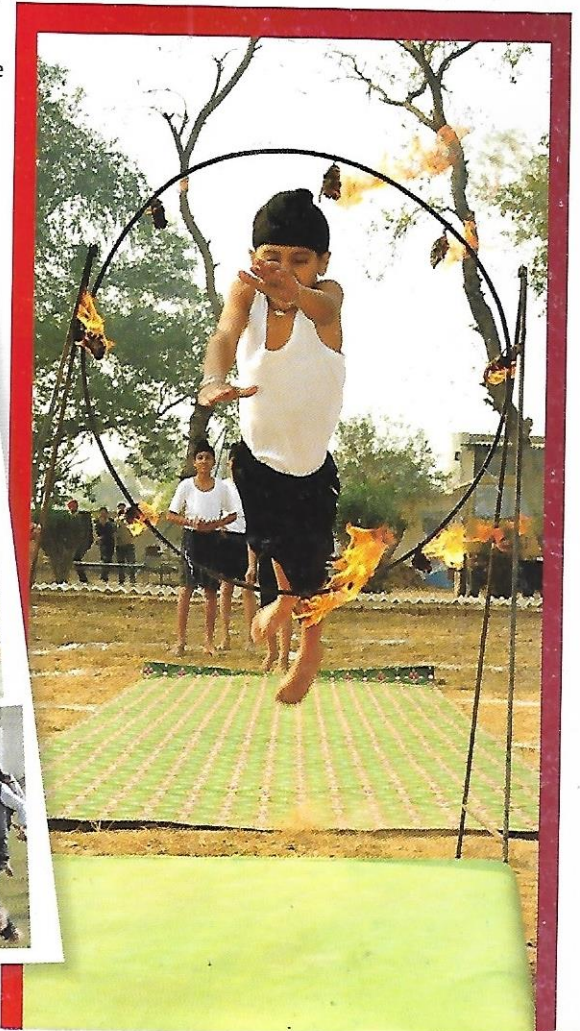

For true integrated growth to take place, our children's physical self must be

systematically developed. Sports facilities at BAAGS include indoor games and outdoor sports. The sports curriculum is designed according to the needs of the different age groups. In the pre-primary and primary classes, emphasis is laid on the development of gross motor skills, physical stamina, flexibility, balance, strength, hygiene, overcoming physical fears and hesitations and the development of team play. In the primary classes,

games with rules become increasingly important. Team accomplishments complement individual goals for excellence. Gradually, skills of play and precision with mastery assume greater significance for students of the secondary classes.

Indoor facilities will be made available for table tennis, chess, carom and gymnasium. Outdoor sports include basketball, tennis, badminton, cricket, football and athletics. In association with reputed national and state level agencies, arrangements will also be made for students to partake in adventure sports.
